

# Let Me In

## Jefferson Airplane

Oh Let me me in I wanna be there  
You shut your door  
Now it ain't there  
Without a word to me  
Without a look at me  
You turned me down without a care  
Oh let me in  
Hear what I'm, talking about  
I gotta get in  
But you keep putting me out  
Without a call to me  
Without a love for me  
You don't even know if there is  
One gram of doubt  
Oh let me in baby  
You're driving me crazy

Your playing games in my mind  
Oh let me in honey  
Don't tell me it's so funny  
I didn't know that you could  
Be that unkind  
(Break)  
Oh let me in  
You know I, want only you  
I don't want to be told  
by you what to do  
Without a care for me  
Without a love for me  
Who's gonna talk for me  
Who's gonna speak for me  
You walked away for something  
That you knew  
Thank's for nothing
