

# Wonderland

## Big Country

If you could feel how I must feel  
The winds of quiet change  
If you could see what I must see  
Still hidden in the rain But when the thunder rolls  
It comes and covers up my soul  
And you will take my hand  
And be with me in wonderland I am a honest man  
I need the love of you  
I am a working man  
I feel the winter too If you could hear what I must hear  
Then nothing would replace  
The fifty years of sweat and tears  
That never left a trace But when I look at you I see  
You feel the same way too  
And you will take my hand and be  
With me in wonderland I am a honest man  
I need the love of you  
I am a working man  
I feel the winter too You still remember other days  
When every head was high  
I watched that pride be torn apart  
Beneath a darker sky With innocence within ourselves  
We sing the same old song  
And you will take my hand  
And make believe it's wonderland I need the love of you  
I am a working man  
I feel the winter too I am a honest man  
I need the love of you  
I am a working man  
I feel the winter too Wonderland, wonderland, wonderland, wonderland
