

Something Like a Party (Ralph Rosario Club 1)

School Gyrls

La da da da da
La da da da da da da
Ooh
It's something like a party
La da da da da
La da da da da da da
Ooh
I'm inviting everybody
DJ keep it comin'
DJ keep it keep it pumpin'
When the speakers start to thump in
Everybody starts to jump in
Cause we all up in here
Our hands up in the air singin'
La da da da da da da
Ooh I know you think this song is about ya
It's all about me, myself, and I'm comin' out ta
Where my people at
You in the front and in the back
Start the beat let me get a clap
That's what I'm talkin' bout I'm gonna give you what you've been missing
And I know I'm the thing that you really need
I wanna know if you're all ready for what I
Got in store if you know the words then say La da da da da
La da da da da da da
Ooh
It's something like a party
La da da da da
La da da da da da da
Ooh
I'm inviting everybody
DJ keep it comin'
DJ keep it keep it pumpin'
When the speakers start to thump in
Everybody starts to jump in
Cause we all up in here
Our hands up in the air singin'
La da da da da da da
Oh Now eight enough of us comin' out on the floor

That's why I decided to give y'all what you want
Just a little more
People say they want some more
They're sick, guess we'll have a cure
That's what its all about
Yeah I'm gonna give you what you've been missing
And I know I'm the thing that you really need
I wanna know if you're all ready for what I
Got in store if you know the words then say La da da da da
La da da da da da da
Ooh
Its something like a party
La da da da da
La da da da da da da
Ooh
I'm inviting everybody
DJ keep it comin'
DJ keep it keep it pumpin'
When the speakers start to thump in
Everybody starts to jump in
Cause we all up in here
Our hands up in the air singin'
La da da da da da da
Ooh This song is never ending
So stop pretending
Like you've forgotten any of the words
La da da da
Ooh
Get a clue
So easy to do
Now I want everyone to say (La da da da da Ooooh)
You should all know my melody
Goes a little something like La da da da da
La da da da da da da
Ooh
Its something like a party
La da da da da
La da da da da da da
Ooh
I'm inviting everybody
DJ keep it comin'
DJ keep it keep it pumpin'
When the speaker starts to thump in
Everybody starts to jump in
Cause we all up in here

Our hands up in the air singin'

La da da da da da da

Ooh
