

What's A Guy Gotta Do

[Joe Nichols](#)

What's a guy gotta do to get a girl in this town?
Don't wanna be alone when the sun goes down
Just a sweet little somethin' to put my arms around
What's a guy gotta do to get a girl in this town? Well ask anybody I'm a pretty good guy
And the looks decent wagon didn't pass me by
There ain't nothin' in my past that I'm tryin' hard to hide
And I don't understand why I gotta wonder why? What's a guy gotta do to get a girl in this town?
Don't wanna be alone when the sun goes down
Just a sweet little somethin' to put my arms around
What's a guy gotta do to get a girl in this town? Cruise all around the right parking lots
Little time gets killed a lotta bull gets shot
One who'll think I'm kinda cute and laugh at every joke I got
When I get to thinking maybe she's a thinkin maybe not What's a guy gotta do to get a girl in this town?
Don't wanna be alone when the sun goes down
Just a sweet little somethin to put my arms around
What's a guy gotta do to get a girl in this town? Had an old man tell me "Boy if you were smart"
You'd hit the produce isle at the super walmart"
So I bumped into a pretty girl's shopping cart
But all I did was break her eggs and bruise her artichoke hearts What's a guy gotta do to get a girl in this town?
Don't wanna be alone when the sun goes down
Just a sweet little somethin to put my arms around
What's a guy gotta do to get a girl in this town?
What's a guy gotta do to get a girl in this town?
