

# Never Alone (feat. Kirk Franklin)

**Tori Kelly**

Mmm, mmm, mmm In my time I've travelled some roads  
A rolling stone  
Nowhere feels like home  
And I've seen people come, then they go  
Life is just a story of some highs and some lows Tell me do you believe in miracles?  
I'm standing here before your eyes I've cried many rivers  
I've walked through some pain  
I've seen my world crumble  
And I'll carry the shame  
But I know somebody, He calls me His own  
I can hear heaven singing out  
Oh-oh-oh, you're never alone  
Oh-oh-oh, you're never alone  
Everybody wants to be king  
We put all our hope inside material things  
In Your light I now understand  
That everything I have ain't everything that I am Oh, sometimes I feel like I'm not good enough  
But that's when love says you're mine I've cried many rivers  
I've walked through some pain  
I've seen my world crumble  
And I'll carry the shame  
But I know somebody, He calls me His own  
I can hear heaven singing out  
Oh-oh-oh, you're never alone  
Oh-oh-oh, you're never alone  
Oh, I may have took some time  
But now I realize  
My imperfections were a part of Your plan  
And if all things work together in the end  
The broken will be beautiful There's not a hole too deep  
That God's love is not deeper still  
You've come too far to give up now  
Let's go! I've cried many rivers  
I've walked through some pain  
I've seen my world crumble  
And I've carried the shame  
But I know somebody, He calls me His own  
Can you hear heaven singing out  
Oh-oh-oh, you're never alone

Oh-oh-oh, you're never alone

Oh-oh-oh, you're never alone

Oh-oh-oh, you're never alone
