

Tracy I Love You

Luna

Tell me stories on my birthday
Buy me gifts on Halloween
She's pretending not know me
But I know where she's been
Change your name and change
Your number
I'm gonna find you anyhow
I have been through all your things
Asking when and how and why
I spend too much time in airplanes
Eating peanuts
And getting high
Don't know why I can't stop smiling
When I only need to cry
