

I Was a Teenage Pretty Boy

Henry Fiat's Open Sore

I was a pretty boy
it lasted for a minute
then the mirror cracked I gotta blame it on the sunshine
blame it on the good times
blame it on the boogie I was a teenage pretty boy
teenage pretty boy, teenage pretty boy I was a pretty boy
Adonis paid me a visit
took one look and then he split I might just blame it on my diet
blame it on my folks
coz I was a pretty boy I was a teenage pretty boy
teenage pretty boy, teenage pretty boy
