

# Macabro Expectaculo

## Scum of the Earth

I see angels, faces cold and gray  
Gods the enemy, hammering the nail  
(Hell and lower)Macabro expectaculo  
Macabro expectaculoHate is all that's left of me  
Hate is all I'm offering  
Hell, hell, hell, hellHate is all that's left of me  
Hate is all I'm offering  
Hell, hell, macabro  
Hell, hell, expectaculoDrive in the nail, feed my flesh to bone  
Burn in my sin, feed my dirty soul  
(Hell and lower)Macabro expectaculo  
Macabro expectaculo(Hate)  
Is all that's left of me  
(Hate)  
Is all I'm offering  
Hell, hell, hell, hell(Hate)  
Is all that's left of me  
(Hate)  
Is all I'm offering  
Hell, hell, macabro  
Hell, hell, expectaculo(Hate)  
Is all that's left of me  
(Hate)  
Is all I'm offering  
Hate
