You Do Something To Me

Bryan Ferry

You do something to me
Something that simply mystifies me
Tell me, why should it be?
You have the power to hypnotize meLet me live 'neath your spell
Do, do that voodoo that you do so well
For you do something to me
That nobody else could doLet me live 'neath your spell
Do, do that voodoo that you do so well
For you do something to me
That nobody else could do
