New Fool

Alison Krauss & Union Station

(Sidney Cox/The Sidney Lawrence Co., BMI)Sad songs and teardrops will surely mend this broken heart
Time forgets these bitter things I feel
But your days are numbered
You'll learn your lesson well
When you finally play a heart that plays for realThere's a new fool somewhere waiting
For your old fashion heartbreak love affair
She'll see through your intentions
With each lie that you tell
And the old ways will go out with the new some wayLeaving was so easy
But old hands do make fancy moves
And I for one fell victim to your game
But someday, you'll see that cold hearts can be broken too
What goes round must come around your way
There's a new fool somewhere waiting
For your old fashion heartbreak love affair
She'll see through your intentions
With each lie that you tell
And the old ways will go out with the new some way
