Writing To Reach You

Travis

Every day I wake up and it's Sunday
What evers in my eye won't go away
The radio is playing all the usual
And what's a wonder wall anyway?Because my inside is outside
My right side's on the left side
Cause I'm writing to reach you now but,
I might never reach you
I only want to teach you, about you,
But that's not youIt's good to know that you are home for Christmas
It's good to know that you are doing well
It's good to know that you're no longer hurting
It's good to know I'm feeling not so wellBecause my inside in outside
My right side's on the left side
Cause I'm writing to reach you now but
I might never reach you
I only want to teach you,
About you, but that's not you
To know it's true, but that won't doMaybe then tomorrow will be Monday
And whatever's in my eye should go away
Still the radio keeps playing all the usual
And what's a wonder wall anyway?Because my inside in outside
My right side's on the left side
Cause I'm writing to reach you
I might never reach you
I only want to teach you,
About you, but that's not you
And you know it's true, but that won't do
And you know it's you, I'm talking to
