Never Been Any Reason

Head East

Did you see any action?
Did you make any friends?
Would you like some affection
Before I leave again?Well, I've been walking behind you
Since you've been able to see
There's never been any reason
For you to think about meDid you have any bad dreams?
Did you break any glass?
Would you be my companion
Is there even a chance?You've been talking in circles
Since I've been able to cry
There's never been any reason
For never telling me why, yeah, yeahSave my life
I'm going down for the last time
Woman with the sweet lovin'
Better than a white lineBring a good feeling
Ain't had in such a long time
Save my life
I'm going down for the last timeHave you ever been lonely?
Do you have any fun?
Do you ever think of me?
I'm just another one.You never give me no answer
You never tell me the truth
There's never been any reason
For me to think about you, yeahThere's never been any reason
There's never been any reason
There's never been any reasonSave my life
I'm going down for the last time
Woman with the sweet lovin'
Better than a white lineDon't you know
She could bring a good feeling
Ain't had in such a long timeSave my life
I'm going down for the last time
Save my life
I'm going down for the last timeSave my life
I'm going down for the last time
Save my life
I'm going down for the last timeSave my life
I'm going down for the last time

Save my life
I'm going down for the last time
