A Bid Farewell

Killswitch Engage

Hey ahh
I will bid farewell
Sever the ties
Is this all I am?
Is this all thats left?
Turn from deceit, the love of self is death
Deliverance is given to you
Save you
I will bid farewell
Sever the ties
(Sever the ties)
Now your heart beats back with deception
You have been forsaken

Leave behind
(I will)
All reminders of you
Of you
I will bid farewell to all lies
I will bid farewell sever the ties
[Incomprehensible] searching always searching, hoping for a change
I will never be satisfied, I will never be
I will never be satisfied, I will now bid farewell
I will bid farewell to all lies
I will bid farewell sever the ties
