

I Love You Lord

Elevation Worship

Your patience was amazing
Waiting while my heart was wandering
Your kindness is surprising
As I stumble whole you run to me
I'm welcome with rejoicing
Wrapped and embraced with royalty

And now I'm overflowing
Singing of the love I have received

I love You Lord
I love You Lord
Jesus I adore You

I love You Lord
I love You Lord
Teach me how to love You more

You crown me with compassion
Lifting up my head to see Your smile
I know that You have found me
As You fill my heart with Your desire
It goes beyond my feelings
Flooding to the places I can see

And now I'm overflowing
Singing of the love I have received

I love You Lord
I love You Lord
Jesus I adore You

I love You Lord
I love You Lord
Teach me how to love You more

Who love that will not let me go
My soul will rest in You alone
I give You back this life I owe

To know you Jesus more and more

Who love that will not let me go
My soul will rest in You alone
I give You back this life I owe
To know you Jesus more and more

Who love that will not let me go
My soul will rest in You alone
I give You back this life I owe
To know you Jesus more and more

I love You Lord
I love You Lord
Jesus I adore You

I love You Lord
I love You Lord
Teach me how to love You more
