Savior

Lisa Marie Presley

(Lisa Marie Presley/Billy Corgan)
Savior, savior
Save me once again
Savior, savior
Save me from myself
You disappear to walk alone I fear
If only to erase the trace of you here
Once again, you have betrayed me
Yes my friend, you drained me
Only then, will you embrace me
Only then, did I call out
Savior, savior
Save me once again
Savior, savior
Save me from myself

I'm the one that always cleaned your wounds
I wiped your brow
And told you were more than what they saw
Sacrificed myself until you knew you could believe
If you were me and breathed the air I breathe
Would you not ask in vain for God to bring you peace
Once again, you will betray me
Yes my friend, you will drain me
Only then, will you embrace me
Once again, I'll call out
Savior, you will betray me
Once again, you'll drain me
Savior, will you embrace me
As my friend and save me
