

# You Are My All

## Tabea

There are moments in my life

I don't know where to go.

I feel sad and lonely  
there's nobody I can talk to.

Nobody  
who puts his hand in my hand.

Nobody  
who will understand.

When I opened up my eyes

I saw you standing here.

So strong and great  
you blew away my tears.

Somebody  
who trust in me.

You're somebody who,  
who will understand what I need.

You are the one, the only one  
you are the light, you are the sun.

You know the truth, you show the way.  
I wanna feel your strength today.

You are the love, my only love.

You are the greatest gift above.

I wanna feel you by my side.  
You are the son, you are the light.

You said words to me

I have never heard before.

You sang a melody in my heart  
forever more.

A melody  
keeping in my mind.

This melody  
I nowhere else can find.

It's about joy and hope  
about strength and truth and kindness  
about love and peace

about friendship and forgiveness.

A symphony  
for you and me.

A symphony that shows  
shows the way how love can be.
