Such A Night

Dr. John

Such a night, it's such a night
Sweet confusion under the moonlight
Such a night, such a night
To steal away, the time is rightYour eyes caught mine and at a glance
You let me know that this was my chance
But you came here with my best friend, Jim
And here I am, tryin' to steal you away from himOh, but if I don't do it, you know somebody else will
If I don't do it, you know somebody else will
If I don't do it, you know somebody else will
If I don't do it, you know somebody else willIt is such a night, it's such a night
Sweet confusion under the moonlight
It's such a night, such a night
To steal away, the time is rightYeah, I couldn't believe my ear and my heart just skipped a beat
When you told me to take you walkin' down the street
Oh yeah, you came here with my best friend, Jim
Here I am, I'm stealin' you away from himOh, but if I don't do it, you know somebody else will
If I don't do it, you know somebody else will
If I don't do it, you know somebody else will
If I don't do it, you know somebody else will
'Cause it's such a night
