

Let's Rock Tonight

L7

Let's rock tonight, let your hair down
Don't be so uptight
Come on let's rock and roll
You rocked my body now you're rocking my soul
Let's rock, come on let's rock
Well, are you ready to play
I've got my guitar and I'm ready, don't wait
Come on over and we'll really rock
The way you head bang puts me into a shock
Let's rock, yeah, come on let's rock
Don't be shy, yeah, you'd
better cook
You smell the bait, now you swallow that hook
Now's the time, yeah, it's time to smoke
Go ahead and laugh and 'cause this ain't no joke
Come on, come on let's rock
Get off your ass and let's rock
