

# Waterloo

## Suede

In the undertow  
Of a muddy river's ebb and flow  
Is a hand that will not let go  
The current is strong  
The river is deep  
In the afterglow  
Of the fire that tore through the room below  
Someone calls through the smoke...  
"All you can do is try to breathe  
To breathe  
To breathe  
To breathe"  
When the road is steep  
And the ground gives way beneath your feet  
It's the last place you want to be  
The air here is thin  
You must try to breathe  
To breathe  
To breathe  
To breathe  
In the undertow  
Of a muddy river's ebb and flow  
Is a hand that will not let you go  
That belongs to someone like me  
Who's holding your head and helping you  
Breathe  
To breathe  
To breathe  
To breathe  
You need to be free  
You need to be free
