Santa Maria

The Kelly Family

To the sky to the mountains
To he river to the valley
To my hometown to my country
To the place were I was born
To my mother to my father
To my sisters and my brothers
To my friends and myself
And to those I love so well

Santa Maria prega per noi
Santa Maria prega per noi
To the world and the people
And the crises in their pains
For the children's of tomorrow
For the wars that never end
Santa Maria

To the sky to the mountain
To the river to the valley
To my hometown to my country
To the place were I was born
To the heroes that we need today
For the lonely with no one to cry
To the mothers their source of live
To this world with so much pain
Santa Maria
