Somebody Take the Pain Away

[Willa Ford](#)

I had my feet on solid ground
Was doin' fine 'till you came back around
Boy, all your promises are lies
No, I don't know why, why I waste my time?Somebody take the pain away
It's hurtin' my heart and I can't take it
Somebody take the pain away
Get out of my life or I'll go crazy
Crazy, its crazyKeep running in an' out my life
Takin' the wrongs and tryin' to make 'em right, right
You're too pathetic for my love
You played your games
And boy I had enough of youMessin' with my head
All the things you said
Runnin' back to me
Tellin' me your dream
I never wanted it to be this way
The pain is killin' me
Gotta set you freeSomebody take the pain away
It's hurtin' my heart and I can't take it
Somebody take the pain away
Get out of my life or I'll go crazy
Crazy, its crazy, its crazy
Crazy, its crazy, its crazyHere comes the pain again
Breakin' up heart, it's a tragedy
Breakin' up my heart, it's the worst emotionSomebody take the pain away
It's hurtin' my heart and I can't take it
Somebody take the pain away
Get out of my life or I'll go crazySomebody take the pain away
It's hurtin' my heart and I can't take it
Somebody take the pain away
Get out of my life or I'll go crazyHere comes the pain again
Breakin' up my heart it's a tragedy
