

# Lovely Day

[Diana Ross](#)

When I wake up in the morning, love  
And the sunlight hurts my eyes  
And something without warning, love  
Bears heavy on my mind Then I look at you  
And the world's all right with me  
Just one look at you  
And I know it's gonna be  
A lovely day  
lovely day, lovely day, lovely day When the day that lies ahead of me  
Seems impossible to face  
When someone else instead of me  
Always seems to know the way Then I look at you  
And the world's all right with me  
Just one look at you  
And I know it's gonna be  
A lovely day When the day that lies ahead of me  
Seems impossible to face  
When someone else instead of me  
Always seems to know the way Then I look at you  
And the world's alright with me  
Just one look at you  
And I know it's gonna be  
A lovely day
