

# I'm Off That

## Pitbull

Now this real simple  
Pancho pick it up man  
If you off that, it means you don't mess with it  
But if you love that, it means you mess with it  
Let me tell you what I mess with  
Skateboardin', I'm off that  
Label execs, I'm off that  
ANR's, I'm off that  
The DJ's, I love that  
Poppin' bottles, I'm off that

Making it rain, I'm off that  
But DJ's, I love that  
I'm off that but I love that  
I'm off that but I love that  
I'm off that but I love that  
I'm off that but I love that  
I'm off that but I love that  
I'm off that but I love that  
I'm off that but I love that  
Being broke, I'm off that  
Hanging on the block, I'm off that  
Weak bass blow, I'm off that  
Stop cop go, I'm off that  
Not gon be a tease and I'm off that  
BT's, BT's  
Pink pony, scarlet's  
Tootsies, I love that  
Studio gangsta, I'm off that  
Internet gangsta, I'm off that  
Young as fuck, you can't trust  
That metal bust, I'm off that  
Bad bitches, I love that  
Bobo heels, I'm off that  
Her hair a mess, toes a mess  
Mess a mess and I'm off that  
She kiss n' tell, I'm off that  
She Instagram, I'm off that

She bring her friends, I?m ?bout that  
The more the merrier, I love that

Getting money, I love that  
Dirty money, I?m off that  
Cleaning money, I?m off that  
Phony money, I?m off that  
Getting money, I love that

But freedom, I love that  
Plastic women, and I?m off that  
Stuck up women, I?m off that  
Real wise, I?m off that  
But freaky women, I love that  
Bad business, I?m off that  
Can?t keep your word, I?m off that  
Never on time, I?m off that  
But haters, I love that

But private flights, I love that  
Dirty money, I?m off that  
Cleaning money, I?m off that  
Phony money, I?m off that  
Getting money, I love that  
Dirty money, I?m off that  
Cleaning money, I?m off that

Phony money, I?m off that  
Getting money, I love that  
I?m off that but I love that  
I?m off that but I love that  
I?m off that but I love that  
I?m off that but I love that  
I?m off that but I love that  
I?m off that but I love that  
I?m off that but I love that
