

# One Night With Frank

## Erin Boheme

If I had a chance to go back in time  
A dream that I could make come true  
I'd go to a place where I'd see his face  
And he'd say I've been waiting for you

He could just fly me to the moon  
We would be on our honey moon

That'd be something if I had one night with Frank  
He would be singing at the sand  
Swinging with Bassey and the band  
What could be better than to have one night with Frank?

Anything goes when the summer winds blows  
I can see why they say old blue eyes  
Through night and day, his old black magic ways  
Would keep my hypnotized

He could be loving all of me  
And we'd be dancing cheek to cheek  
I would have my way if I had one night with Frank

Come fly with me from here to eternity  
A fine romance that would be  
As time goes by, come rain or come shine  
They can't take that away from me

For once in my life I could be  
On the sunny side of the street

Just making whoppy  
If I had one for my baby  
If I had luck, be a lady  
If I had one night with Frank  
One more time

Just making whoppy  
If I had one for my baby  
If I had luck, be a lady  
If I had
