Someday

Michael Learns to Rock

In my search for freedom and peace of mind
I've left the memories behind
Wanna start a new life but it seems to be rather absurd
When I know the truth is that I always think of youSomeday, someway together we will be baby
I will take and you will take your time
We'll wait for our fate, 'cause nobody owns us baby
We can shake we can shake the rockTry to throw the picture out of my mind
Try to leave the memories behind
Here by the ocean waves carry voices from you
Do you know the truth, I am thinking of you tooSomeday, someway together we will be baby
I will take and you will take your time
We'll wait for our fate, 'cause nobody owns us baby
We can shake we can shake the rockThe love we had together just fades away in time
And now you've got your own world and I guess I've got mine
But the passion that you planted in the middle of my heart
Is a passion that will never stop
