

# Make the World Go Away (Re-Recorded In Stereo)

Eddy Arnold

Make the world go away  
Get it off my shoulder  
Say the things we used to say  
And make the world, make it go away  
Do you remember when you loved me  
Before the world took you away  
Well if you do, then forgive me  
And make the world, make it go away  
Make the world go away  
Get it off my shoulder  
Say the things we used to say  
And make the world, make it go away  
Now I'm sorry if I hurt you  
Let me make it up to you day by day  
And if you will please forgive me  
And make the world, make it go away  
Make the world go away  
Get it off my shoulder  
Say the things we used to say  
And make the world, make it go away
