coldrain

Suffocating while I'm still breathing
Is this for nothing? Why can't I explain
What this all means to me?
I'm drowning in the blood that built my coreI've carried this fear in my mind for so long
Taking me down, I'm here flat on the floor
I've spent half my life writing songs to belong
But somehow I still find myself wanting moreSuffocating while I'm still breathing
Is this for nothing? Why can't I explain
What this all means to me?
I'm drowning in the blood that built my core
Fuck
