

Walk Away

K's Choice

I will walk away from you
Don't stop me
I will walk away from you
Don't blame me I have felt the ugly midget kicking on my knee
I have seen the ugly midget walking over me I will tell you what I've learned
We're through as far as I'm concerned
Break up and just before we do
I will walk away from you I will walk away from you
Stop me
I will walk away from you
Blame me I have had enough of you
Tell me you hate me too
Or embrace me and forget
What I have said to you I will tell you what I've learned
We're one as far as I'm concerned
Make up and just before we do
I will be walking back to you Walking back to you
Walking back to you
Walking back to you
Walking back to you
