

My Time

It like this it's like that
No matter What you do
My people them go talk o
You win some you loose some
Na so the story go
Them yarn me from the start
Some times its like a dream
All the times is just reality
They look you in the eye
Say things behind ur back
O baba watch over me
I ve been doing this long time
A little this with a clean and a pure mind
I'm tryna live my life and live my little life shine
Do what I gotta do and the world is mine
Emini, emini mo cheddah Kan
And waiting make we them gimme koma roll, koma roll
Na waitin them dey gimme o

Ehhhh,

No matter waiting them talk,
I go do my own, I go live my life
Bope boya, alejo adi onile
Lalala, lalalalala

Ahhhh,
Me I know say na my time
No matter waiting them talk,
I go do my own, I go live my life
Bope boya, alejo adi onile
