

Thuggin' (feat. Kendrick Lamar)

Glasses Malone

The only way I've been practising my whole life to live my life
Is to be responsible for what I do I don't know how to be responsible
For what every black male did, I don't know Yes I am gonna say that I'm a thug
That's because I came from the gutter and I'm still here I'm a mothafuckin' thug
I hate payin' taxes, just hate it
I'm tryna fuck a couple actresses
If I don't got it I'ma make it
Still don't got it, I'ma take it
Run that shit, take your shit, that's what I won't do
Out here doin' what I want to
Nigga you do what you can
That's the difference, I'm a mothafuckin' man
I'm a man, nigga, and as a man I don't take that
I don't do Versace, that's that gay shit
Yeah I said it, I'm a thug
I'm a thug, nigga, guess I need a mothafuckin' hug
Well dig my mama up and tell her give me one
Lotta niggas say they're real, I'm the realest one
I'm the realest, this exactly how I'm feelin', bruh
Ain't no chillin', bruh
I'm a mothafuckin' thug I'm a mothafuckin' thug
I'm a mothafuckin' thug
I'm a mothafuckin' thug
I'm a mothafuckin' thug It's all about the Benjamins
Nigga, fuck George Zimmerman
How it's pistol versus hand?
Take your whoopin' like a mothafuckin' man
Pussy, damn, how hard can a kid hit?
And why them local rappers ain't did shit?
Lil Wayne said, "Fuck the Heat"
Same local rapper niggas wanted beef
Fun, brother versus brother
No hesitation when you face the same color
None, I'm sayin' what the fuck you niggas stand for?
Guess it's lost in the South, Jim Crow
Still I'm shootin' in the gym
Thinkin' back, shit I couldn't hit the rim
Nigga you should see my game now
If it's a fully, nigga aim down

Let the gun work
Super clean but I've done dirt
Talked the shit until my tongue hurt
And I don't run from skirmishes, nigga
I'm a mothafuckin' thug I'm a mothafuckin' thug
I'm a mothafuckin' thug
I'm a mothafuckin' thug
I'm a mothafuckin' thug Sometimes I look in the mirror and ask myself what I'm scared of
How dare the media portray me this way, I can hear the
Crowd screaming, the weirdest of chants
They all in my ear-a artist of era, role model I can't
It's like I'm a parrot, apparently I'm marking the dance
I seen done with the devil, such a ghetto romance
How many niggas fall victim, looking at you trapped in the system
Mentally they kept you in prison, and you won't get out, no one visit
Open up your mouth no one listen, you in denial, nigga
I'm in denial with you, I dial dead homies numbers off this liquor
Time and time again I find myself inside the cerebellum
Of several felons, Orion's belt couldn't live in my world
I seen tigers, lions let loose and spooked, I'm next door to Earl
I guess I rely on Jesus to save us before I refer
The madness, my neighbors witness ski masks, the masses don't know
I'm packing this four and harassing your hoe
Antagonizing the business you love the most
See the difference to my approach is a 40 ounce at the store
If a forty bounce, to get low, I never learn, I'm hard-headed
The corporate world don't like it, but I said it I'm a mothafuckin' thug
Look in my eyes, what do you see?
God Orion lives in me
I'm a mothafuckin' thug I'm a mothafuckin' thug
Look in my eyes, what do you see?
God Orion lives in me
I'm a mothafuckin' thug
Oh, oh I'm a mothafuckin' thug Thug, thug, all I ever was
Look around, all I ever done
I'm a motherfuckin' thug, thug, thug, all I ever was
Look around, all I ever done
I'm a motherfuckin' thug, thug thug, all I ever was
Look around, all I ever done
I'm a motherfuckin' thug, thug thug, all I ever was
Look around I'm a motherfuckin' thug
