

Love Is The Answer

Todd Rundgren

Name your price and take it to paradise
I can't stay here any more
And I've looked high and low
I've been from shore to shore to shore
If there's a short cut, I'd have found it
But there's no easy way around it
Light of the world, shine on me
Love is the answer
Shine on us all, set us free
Love is the answer
Who knows why someday we all must die
We're all homeless boys and girls
And we are never heard
It's such a lonely, lonely, lonely, lonely world
People turn their heads and walk on by
Tell me, is it worth just another try?
Light of the world, shine on me
Love is the answer
Let it shine, shine on us all, set us free
Love is the answer
I know the answer is love
Tell me, are we alive or just a dying planet?
What are the chances?
Ask the man in your heart for the answers
And when you feel afraid
(Love one another)
When you've lost your way
(Love one another)
When you're all alone
(Love one another)
When you're far from home
(Love one another)
When you're down and out
(Love one another)
All your hope's run out
(Love one another)
When you need a friend
(Love one another)
When you're near the end, love

We got to love, we got to love one another
Light of the world, you got to shine
Love will be a means, yeah, yeah, yeah
Shine on us all
Know that love can save the day
Just give it just one more chance
Love, love, love, love, ooh
Lord, you just can't let it stop, Lord
Love is the answer
Love is the answer
Love is the answer
Love is the answer, yeah
Got to live free to let love into your life
