Easy

Lyla Foy

Drove away, I knew this feeling leaving me
Found a cage on this own
This burned nose is fire stunned
We rode a bridge to go home
Under the stars and the sky we sleptIf I turn to leave
Then ALL WILL BE EASY
If I stay too long the door won't close
If I turn to leave
Then ALL WILL BE EASY
If I stay too long the door won't close
Won't close
Soft and clean both
We leave hoping I'd
Slid from the corner and saw
Both of my feet made a track on the stone
Touched on the back of my line
The air was blowing meIf I turn to leave
Then ALL WILL BE EASY
If I stay too long the door won't close
If I turn to leave
Then ALL WILL BE EASY
If I stay too long the door won't close
Won't close
If I turn to leave
Then ALL WILL BE EASY
If I stay too long the door won't close
If I turn to leave
Then ALL WILL BE EASY
If I stay too long the door won't closeWon't close
