

# Famous (feat. Yaboi Dacoach)

## Storm Deisel

(Intro)

It's crazy V hey man these girls man when they come to the crib

It's like they're auditioning for something man

I don't know man it's like when that camera's on

They take it to a whole other level homie

Might as well make a little something on it(Verse 1)

Here i come let's hit this club let's hurry hurry

Gonna pull me one we can get into a little dirty dirty

All drinks on me my focus be a little blurry blurry

Come home with me you're a movie maker have no worriesGo head and strike a pose camera runnin' girl your stunnin'

That girl right there she goes don't stop tease me yep she please me

I hope you never leave my head straight spinnin' got me grinnin'

Digital celebrity upload download girl i can make you...(Chorus)

Famous i can really make you a superstar you don't have to be afraid of what you are

A superstar upload download girl i can make you famous

Girl you really wanna be a superstar but it aint' my fault

She aint' camera shy and she can't get enough(Verse 2)

Make no mistake Storm Deisel steady gotta get that paper

Fixing to put you on we can do it right now or we can do it later

I see your girl aint' shy i want you two to do me a little favor

Can you make those thighs go la la la la la la la la laGo head and strike a pose camera runnin' girl your stunnin'

That girl right there she goes don't stop tease me yep she please me

I hope you never leave my head straight spinnin' got me grinnin'

Digital celebrity upload download girl i can make you...(Chorus)

Famous i can really make you a superstar you don't have to be afraid of what you are

A superstar upload download girl i can make you famous

Girl you really wanna be a superstar but it aint' my fault

She aint' camera shy and she can't get enough(Rap)

We turned up in the VIP lifting their shirts up showin' love to me

Got that flip cam baby girl that's right imma make you a star put on a show tonight tonight

Yes tonight's the night lose your inhibition don't put up a fight

Your friend's can come to it's going down tonight we buyin' up the bar settin' it off right

I lovin' your body and i'm feeling your energy i want your body and i'm pulling you close to me

The way we dancing in this club like we sexin' in love sweat drippin' down girl

You wettin' it up bottle makin' rounds what's what's up aint' nothing but coke and crown fillin' my cup

The way you strip tease pole pleasin' a must got the crowd going wild imma make you famous(Chorus)

Famous i can really make you a superstar you don't have to be afraid of what you are

A superstar upload download girl i can make you famous  
Girl you really wanna be a superstar but it aint' my fault  
She aint' camera shy and she can't get enough
