

# Kiss The Sky (feat. Wyclef Jean)

## The Knocks

Poppin', knockin' when I met you  
Shorty had the long extensions  
    Told her I'm a bad man  
But I only got the best intentions  
    Rougher, tougher, not a bluffer  
    I want you to be my lover  
We don't have to take it undercover  
    Just under the covers  
    Bells are ringing, people singing  
    Rice is throwin', flower bringing  
    Ting a ling a ling  
    The honeymoon is when we goin' in  
I take you to a place that you didn't even know exist  
    What's your wish  
Dinner at the Eiffel tower In ParisShottas in the basement party  
    Turned into the greatest party  
    Never seen my baby comin'  
    Just one hit and we went up  
    Am I in love or trippin'  
    Now I feel my body driftin'  
    Baby girl she got me lifted  
    Am I addicted?She's so fly  
Excuse her while she kiss the sky  
Excuse her while she kiss the sky  
    She's so high  
Excuse her while she kiss the sky  
Excuse her while she kiss the skyJaw droppin' when she walkin'  
    Kinda thing that happen often  
    More than just a little happy  
    Shuttin' down a city block  
The latest gear is what she wear  
    You see that stunner in her ear  
    Fashion week all year  
    Throwin' money in the air  
    I'm just happy with my lady  
Other girls they wanna hate her  
    It come with the territory  
    Ball players wanna date her  
    All we got is loyalty

I'm treatin' you like royalty  
I'mma spoil you every day of the weekShottas in the basement party  
Turned into the greatest party  
Never seen my baby comin'  
Just one hit and we went up  
Am I in love or trippin'  
Now I feel my body driftin'  
Baby girl she got me lifted  
Am I addicted?She's so fly  
Excuse her while she kiss the sky  
Excuse her while she kiss the sky  
She's so high  
Excuse her while she kiss the sky  
Excuse her while she kiss the skyHey baby, baby, hey baby  
Hey baby, baby, hey baby  
Take a breath  
Inhale, exhale, now breathe baby  
Hey baby, baby, hey baby  
Hey baby, baby, hey baby  
Inhale, exhale, let's take a breath and breathe babyShe's so fly
