

Thick As Thieves (Live at Sheffield Arena)

Kasabian

There we were thick as thieves
Frightened by shadows and the autumn leaves
We wore stolen hearts, vintage souls
Aided by lies amongst the media foes And hey ho
Where did it go?
When did we lose our sight?
And it's a nice show
The ones we perform
Performing them day and night
Night See the lines upon my face
Walking circles with the human race
And all the little people
They want to be free
But I can't get there
Cause I got you holding me back And hey ho
Where did it go?
When did we lose our sight?
And it's a nice show
The ones we perform
Performing them day and night
Night Let me be free La la la la la la la
la la la la la la la
La la la la la la la
la la la la la la la Gave you all the high skies
But you gave me night
I gave you all the high skies
But you gave me night, yeah
I gave you all the high skies
But you gave me night
I gave you all the high skies
But you gave me night
Let the lights sing again There we were thick as thieves
Frightened by shadows and the autumn leaves Goodbye my sweet
Goodbye
Goodbye
