Shine On Me

Andy Griggs

{Here's to you Amy}You changed my life you saved my soul
You let your sweet love shine on me
I found my strength when I lost control
You let your sweet love shine on me
Reflections of the pain and fear
Are closer than they may appear
Almost gone and almost hereHey let your sweet, sweet love shine
Love shine down on me
Let your sweet, sweet love shine
Love shine down on me
HeyEven when the skies are gray
You let your sweet love shine on me
You find a way to find a way
To let your sweet love shine on meYou know I've built those walls
And sang the blues
Over what this world is comin' to
But walls are not enough for stopping youHey let your sweet, sweet love shine
Love shine down on me
Let your sweet, sweet love shine
Love shine down on me
HeyYou know I built those walls and sang the blues
Over what this world is coming to
But walls are not enough for stopping youHey let your sweet, sweet love shine
Love shine down on me
Let your sweet, sweet love shine
Love shine down on me
Let your sweet, sweet love shine
Love shine down on me
