You Carried Me (Album Version Edit)

Building 429

I've been so busy, I missed the reasons
I missed Your love and I nearly missed it all
Still you've held me and you've healed me
You've given all and it brought me to Your crossAnd I stand only because you've given me grace to walk
Only becauseYou carried me, You carried me
You carried me through it all
And I believe, yes, I believe
You'll carry me all the way home
'Cause mercy covers all, mercy covers allI know the scripture, I've known the songs
I sang the words from my hollowed heart
But you've spoken softly through the storm
I've heard Your voice and I've felt the calmI stand only because you've given me faith to walk
Only becauseYou carried me, You carried me
You carried me through it all
And I believe, yes, I believe
You'll carry me all the way homeLord, I know that You love me
I'll never doubt it, I can't live without it
Your mercy has found me, I am astounded
I can't live without it, ohYou carried me, You carried me
You carried me through it allYou carried me, You carried me
And I believe, yeah, I believe
You'll carry me all the way home
'Cause mercy covers all, mercy covers all
Yeah, yeah, and I believe
