

You Carried Me (Album Version Edit)

Building 429

I've been so busy, I missed the reasons
I missed Your love and I nearly missed it all
Still you've held me and you've healed me
You've given all and it brought me to Your cross And I stand only because you've given me grace to walk
Only because You carried me, You carried me
You carried me through it all
And I believe, yes, I believe
You'll carry me all the way home
'Cause mercy covers all, mercy covers all I know the scripture, I've known the songs
I sang the words from my hollowed heart
But you've spoken softly through the storm
I've heard Your voice and I've felt the calm I stand only because you've given me faith to walk
Only because You carried me, You carried me
You carried me through it all
And I believe, yes, I believe
You'll carry me all the way home Lord, I know that You love me
I'll never doubt it, I can't live without it
Your mercy has found me, I am astounded
I can't live without it, oh You carried me, You carried me
You carried me through it all You carried me, You carried me
And I believe, yeah, I believe
You'll carry me all the way home
'Cause mercy covers all, mercy covers all
Yeah, yeah, and I believe
