

Reckless Serenade (Later with Jools Holland)

Arctic Monkeys

Topless models
Doing semaphore
Wave their flags as she walks by
And get ignored Illuminations
On a rainy day
When she walks her footsteps sing
A reckless serenade I've been trying to figure out exactly what it is I need
Call up to listen to the voice of reason
And got the answering machine The type of kisses
Where teeth collide
When she laughs the heavens hum a stun gun lullaby Those twinkling vixens
With a shining spiral eyes
Their hypnosis goes unnoticed when she's walking by I've been trying to figure out exactly what it is I need
Call up to listen to the voice of reason
And got his answering machine I left my message but did he forget back to me
And now I'm stuck here wondering
How it's meant to be Singing a reckless serenade
Reckless serenade
Reckless serenade
Reckless serenade Reckless serenade
Reckless serenade
Reckless serenade
