

Big Wheels

Electric Light Orchestra

I've been thinking it over
So many times they say
You got it made
They never understand
The answer lies within your soul
'Cause no one know which side
The coin will fall. Big wheels turning
Baby I know
Big wheels turning
Baby I know
Big wheels turning, turning... Save it for a rainy day
For when the cold wind blows
Just to see how they run
I thought they'd know
I tried my best, all I could do
But somehow it was not enough for you. Big wheels turning
Baby I know
Big wheels turning
Baby I know
Big wheels turning, turning,
Turning, turning... I remember the dead of night
A lonely light that shines upon the window
I see it all so clear
The tenderness, the silent tears
Out here in the pouring rain
Through cold dark waiting days
I see you standing there
I see the big wheels turning
Never ending, on and on they go. I think I'm going home
I think I'm gonna have to start again
It's rather sad
Because I've looked around, can't seem to find
Whatever's always rolling through my mind Big wheels turning
Baby I know
Big wheels turning
Baby I know
Big wheels turning, turning
Turning, turning... I remember the dead of night
A lonely light that shines upon the window

I see it all so clear
The tenderness, the silent tears
Out here in the pouring rain
Through cold dark waiting days
I see you standing there
I see the big wheels turning
Never ending, on and on they go.
