

What I Like

Recharge Melting

(Oh yeah, that's what I like)
I'm just waking up, wanna go for a ride
 But I can't drive so I step outside
 And I go for a walk to see my boyfriend
If he ain't home, I'll leave a message on his cell phone
 I love to just have a good time
 Chilling at the movies with my friends
 And I know I'm just doing what I like
 I'm keeping it real, no need to pretend
 I may be young but I know what I like
And I don't really care what they say about me
 I'm just having fun and I'm feeling alright
 Don't knock me 'cuz I'm keeping it tight
 Just doing what I like
Now I feel like dancing, wanna dance all night
I hear the music playing and that's what I like
 I like to sing my songs and do my thing
And I don't see nothing wrong if I just wanna hang
 I like seeing your hands up in the air
 And I like watching all the cute boys stare
 At me just doing what I do
 And this goes out to all of you, yeah
 I may be young but I know what I like
And I don't really care what they say about me
 I'm just having fun and I'm feeling alright
 Don't knock me 'cuz I'm keeping it tight
 Just doing what I like
 Like and you wanna groove
With me so come on and won't you feel the beat?
 And do what you like for me
 'Cuz that's what I like to see
 I may be young but I know what I like
And I don't really care what they say about me
 I'm just having fun and I'm feeling alright
 Don't knock me 'cuz I'm keeping it tight
 Just doing what I like
 Dancing I like, movies I like
 Cuties I like, singing I like
 Talking I like, chilling I like

And I wanna see you do what you wanna do
That's what I like, what I like
That's what I like
That's what I like
