# Keep Making Me

## Sidewalk Prophets

Make be broken so i can be healed becuase want to run to you heart wide open make be broken make me empty so i can be filled becuase im still holding on to my will becuase am complete when you are with me still you are my one desire still are my one true love lord still you are my breath my eveything please keep making me make me lonly so i be yours i want noone more than you lord
