Waiting for Tonight

Stampead

Iâ€™m gonna spend all my money tonight
Iâ€™m gonna take this town and do it right
Cause Iâ€™ve been waiting, waiting, waiting, waiting
Waiting for tonight

And babe comes walking through the door
And sheâ€™s dropping matches on my floor
But I wonâ€™t let it get me down
Cause for five days Iâ€™ve been waiting around

Waiting, waiting, waiting, waiting
Waiting for tonight

And working all week has got me weak
And my legs donâ€™t work no more
And the bank is telling me Iâ€™m broke
But it never stopped me before
Cause Iâ€™ve been waiting, waiting, waiting
Waiting for tonight

Iâ€™m gonna spend all my money tonight
Iâ€™m gonna take this girl and do her right

Cause Iâ€™ve been waiting, waiting, waiting,
Waiting for tonight
