Wilder Than Fire

Defleshed

Hesitate
You'll figure out how
But that's to late
Cause you're close to death now Rise without shining
Freedom forces one to chaos
And these are no good combining
There's no use to excuse Suffering upon the pyre
And you are wilder
Wilder than fire
Wilder than fire
Raw energy is what I require Wilder than fire
Raw energy is what I require
Wilder than fire
Essence of speed is what I admire
You suffocate
And feel the tension
It's all to late 'cause
There's no redemtion
