

Secret Heart

Feist

Secret heart, what are you made of?
What are you so afraid of?
Could it be three simple words
Or the fear of being overheard? What's wrong?
Let him in on your secret heart Secret heart, why so mysterious?
Why so sacred, why so serious?
Maybe you're just acting tough
Maybe you're just not man enough What's wrong?
Let him in on your secret heart The very secret
That you're trying to conceal
Is the very same one
That you're dying to reveal Go tell him how, how you feel Secret heart come out and share it
This loneliness, few can bear
Maybe you're just acting tough
Maybe you're just not man enough What's wrong?
Let him in on your secret heart The very secret
That you're trying to conceal
Is the very same one
That you're dying to reveal Go tell him how, how you feel hesitant Let him in on your secret
Let him in on your secret
Secret heart, your secret heart
