Stamina

Skuki Ft. Mo'Cheddah

VERSE 1:
Homie Won't You Put It On Me
Boy I'm Anxious And I'm Kinda Horny
I Wanna Get
So Close I Could Feel Your Breath
So Hot That You Make Me Sweat
Hot-Hot-Hot-Hot
Lonely, Baby If You're Lonely
Follow Me And Don't Forget The Room Key
And You Can Get
So Close You Could See My Goosebumps
Closer Than You Can Touch
PRE-CHORUS:
I Know This Room Is Full Of Spectators
Some Are Haters
Middle Finger I'll Return The Favor
So
Let's Give 'Em Something To Talk About
Something They Could Write A Book About
Let Me Help You Outta Your Seats
Take Off Your Shoes It's Too Hot
For What We 'Bout To Do Boy
Let's Get This Room Excited
I Bet They Wanna Be Invited
CHORUS:
I Got That Sexy Love
Nasty Love
That Get Your Camera Love
So Bring Your Stamina, Stamina
Baby I Could Handle Ya
I Got That Sexy Love
Nasty Love
That Get Your Camera Love
So Bring Your Stamina, Stamina
Baby I Could Handle Ya
Now Cool Off
Now Get Buck, Get Buck, Get Buck
Get Buck, Cool Off (Take A Minute)
Get Buck, Get Buck, Get Buck

Get Buck, Cool Off (Get Back In It)
VERSE 2:
I'm Nasty Baby If You Ask Me
Imma Let You Call Miss. Cassie
I Wanna Get
So Hot That We 'Bout To Faint
Don't Stop Till We Peel The Paint
Hot-Hot-Hot-Hot
Acting, Baby This Ain't Acting
But I Love It When The Camera's Flashing
So Let 'Em Get
So Close They Could See My Goosebumps
Closer Than They Can Touch
PRE-CHORUS:
I Know This Room Is Full Of Spectators
Some Are Haters
Middle Finger I'll Return The Favor
So
Let's Give 'Em Something To Talk About
Something They Could Write A Book About

Let Me Help You Outta Your Seats
Take Off Your Shoes It's Too Hot
For What We 'Bout To Do Boy
Let's Get This Room Excited
I Bet They Wanna Be Invited
CHORUS:
I Got That Sexy Love
Nasty Love
That Get Your Camera Love
So Bring Your Stamina, Stamina
Baby I Could Handle Ya
I Got That Sexy Love
Nasty Love
That Get Your Camera Love
So Bring Your Stamina, Stamina
Baby I Could Handle Ya
