

# The Ballad

## eisley, david glen

The last selection in the ballgame  
Does never get a pass  
Not appreciated just his first name  
He's the scapegoat of the class  
There are no friends to cheer him up, and  
    No girls, no sweet romance  
    And it's impossible to expand  
When you never get a second chance  
    Do you know  
Who's that guy, who's all alone?  
    Do you care enough to see?  
    He's in pain and misery  
He's not going to the school-prom  
    He said he had the flu  
Trumped-up excuses as he told mom  
    I'm safer here with you  
She told her son someday they'll all be  
    Sorry for mistreating you  
    Don't be afraid my son and trust me  
You'll be someone they will look up to  
    Do you know  
Who's that guy, who's all alone?  
    And do you care enough to see?  
    He's in pain and misery  
    Do you care to see?  
    Do you know  
Who's that guy, who's all alone?  
    Do you care enough to see?  
    He's in pain and misery  
    Do you know  
Who's that guy, who's all alone?  
    And do you care enough to see?  
    He's in pain and misery  
    Do you know  
Who's that guy, who's all alone?  
    Do you care enough to see?  
    He's in pain and misery, yeah
