

# Kiss And Tell

## G. Love & Special Sauce

Don't kiss and don't tell  
You gonna get yourself in trouble  
Your true love will leave you  
You did wrong that's why she said so long  
Boy'd you find another girlfriend  
It seemed to be last night  
I mean the sweetest little songbird  
A sweet sugar momma that's alright  
You shoulda been satisfied  
With that look in her eye  
Oh don't you miss her voice  
I miss her and her mind So don't kiss and don't tell  
You gonna get yourself in trouble  
Your true love will leave you  
You did wrong that's why she said so long I could only get her back in my arm  
My cold cold heart will surely melt  
But then I threw it all away  
Why the messin' round and a tellin' So don't kiss and don't tell  
You gonna get yourself in trouble  
Well, your true love will leave you  
You did wrong that's why she said so long  
Oh all these fine women  
They know what's going on  
Man you thought that you was all alone  
But she could tell by the moon  
That she won't go by soon  
No no no no
