Silly Boy

The Blue Van

I might be wrong but I might be right
Anyhow I know I tried
I better leave, I better leave
I better stopI like her taste when it fills my soul
I'll tell you something I've never told anyone
Not anyone, not anyoneEveryone's got a bleeding heart
I don't know where or when to start
I better bleed, I better bleed
I better stop
I better bleed, I better bleed
I better stopSilly boys
You ran away
Your unemployed
You'd waste awaySilly boys
You ran away
Your unemployed
You'd waste awaySilly boys you run away to far
Remember this remember where you areLife is good
It's what I see that
Makes me want to disagree
I better leave, I better leave
I better notYou might be wrong cause you know I'm right
If you lose your way you just follow mine
I better leave, I better leave
I better stop
I better leave, I better leave
I better stopSilly boys
You ran away
Your unemployed
You'd waste awaySilly boys
You ran away
Your unemployed
You'd waste awayYou run away, you're unemployed, waste awaySilly boys
You ran away
Your unemployed
You'd waste away
