

You've Got a Friend

Me First and The Gimme Gimmes

[Originally by Carole King]

You've got a friend

You've got a friend

You've got a friend

You've got a friend When you're down and troubled

And you need a helping hand

And nothing, nothing is going right

Close your eyes and think of me

And soon I will be there

To brighten up even your darkest nights You just call out my name

And you know wherever I am

I'll come running to see you again

Winter, spring, summer, or fall

All you got to do is call

And I'll be there, yes I will You've got a friend If the sky above your

Should turn dark and full of clouds

And that old north wind should begin to blow

Keep your head together

And call my name out loud

And soon I will be knocking upon your door [repeat chorus] Hey, ain't it good to know

That you've got a friend?

People can be so cold

They'll hurt you and desert you

They'll take your soul if you let them

But don't you let them [repeat chorus] You've got a friend

You've got a friend

You've got a friend

You've got a friend
